Events

Past Events

Tim Morehouse and his production partners have produced fencing events and demonstrations across the country to promote fencing and raise awareness for healthy lifestyles all while generating positive brand exposure for sponsors.

Past event locations have included the White House, United Nations, Capitol Hill, Times Square, Boston's Faneuil Hall Mall, Hammerstein Ballroom, Lincoln Center, and city streets all over the US!

Booking Opportunities

As an effective and much sought-after

Motivational Speaker

Tim has given presentations on the power and skills of goal setting at fortune-500 companies across the country.

Team Building

Foster company loyalty and build team unity through fencing! Tim is an expert at **Corporate Team Building** programs that teach employees to function like an Olympic Team while having fun and learning to fence.

Demonstrations

Olympic Fencing Demonstrations

can be done anywhere with minimal space and are attention grabbing and exciting for audiences. Tim and a teammate can fence almost anywhere--in your store, conference room, or cafeteria, as well at outdoor festivals and street fairs.

Sports Clinics

What it takes to be an Olympian is a translatable skill across any sport or activity. Tim's **Sports Performance Clinics**

(for fencing or other sports)

focus on goal setting, setting up a proper training program to achieve your goals, sports psychology as well as tactics and strategy. Within fencing, Tim will provide practice training drills and philosophies to help take fencers games to the next level.

Brand Ambassador

Tim is a versatile and experienced
Brand Ambassador and Spokesperson
who can represent your brand to the public and the media
and embody your company's goals in print and video

Appearances

Promotional Appearances

Tim will help support your event by attending, allowing usage of his name and likeness to promote the event, and doing interviews to support the event/cause.
